

AIM Technical Solutions GmbH

Special Thanks

for your participation in the TfS assessment / audit in **January 2025**

We appreciate you sharing your results with the TfS member companies.

Thank you for being part of our journey towards more sustainable chemical supply chains.

April the 10th 2025

Dr. Gabriele Unger, / Lenzing AG
General Manager TfS

"TFS IS AN EXCELLENT, INDUSTRY-LEADING INITIATIVE"

ETHICAL CORPORATION

ABOUT TFS

TfS is a joint initiative of chemical companies for sustainable supply chains, founded in 2011. It has developed and implemented a global program to assess, audit and improve sustainability practices within the supply chains of the chemical industry. Above all, synergies are to be created so that resources can be used more efficiently and with a minimum of administrative effort, among the member companies and their suppliers.
